# INDEX

## SUBJECT

Acute respiratory infections, Europe, 20–21
Advisory Committee on Biomedical Research, Eastern Mediterranean, fifth meeting, 58–59
  report, 10
Advisory Committee on Medical Research, 6–10, 212
  Africa, activities, 10
    fourth session, 57
  Europe, activities, 10
    sixth session, 58
  Pan American Health Organization, activities, 10
    nineteenth meeting, 57–58
  South-East Asia, activities, 10, 210
    sixth session, 58
  Western Pacific, activities, 10
    fifth session, 59
Africa, Advisory Committee on Medical Research, 10, 57
  African Health/2000 Resources Group, 89–90
  blindness, prevention, 149–150
  drugs, essential, 90
  health management development, 17–18
  malaria, 90
  mortality, infant, 90
  medical education and health specialization programme, 90–91
  Mental Health Action Group, 149
  National Health Development Centres (NHDC), 91
  onchocerciasis control, 144
  primary health care, 90
  Regional Office, publications, 62, 245–246
  *see also under* health for all by the year 2000; human monkeypox; human plague 1980; poliomyelitis 1979; yellow fever 1979
*African response to the global philosophy of action for health [The]*, 246
*AFRO Technical Papers*, 62
*Air quality in selected urban areas 1977–1978*, 196
Alcohol, consumption, 67
  drug problem, 217–218, 222
  women, treatment of alcoholism, 200
Algeria, infant and juvenile mortality, 159
Alma-Ata, Declaration, 79, 82, 89, 203, 231
  International Conference on Primary Health Care, 79, 82
Americas, animal health 1979, 104
  disaster preparedness, 233
  International Drinking Water Supply and Sanitation Decade 1981–1990, 150
  *see also under* human plague 1980; Pan American Health Organization; poliomyelitis 1979; yellow fever 1979
Amphetamines, misuse of, 217
Angola, cooperation with, 137
Animal diseases and primary health care: intersectoral challenges, 227–232
*Animal health in the Americas 1979*, 104
Anorectics, control of, 158
*Annual report of the Director 1979*, Pan American Health Organization, 103–104
Appropriate technology, South-East Asia, 45
*Appropriate Technology for Health Newsletter*, 49–56, 153
Arab territories, occupied, health conditions, 138
Arabic publications programme, 14, 92, 151
Asia, health for all by the year 2000, policy for, 166–167
  human plague 1980, 239
  malaria control, 156–157
  mortality, 163–167
*Assignment Children*, No. 53/54, 235
Audiovisual aids for health manpower training, 153
Australian Development Assistance Bureau, funding for WHO film in South Pacific, 184

Bahrain, anti-smoking campaign, 91
Bangladesh, smallpox eradication, 28
Barbiturates, misuse of, 217
BCG vaccination, India, 10, 96, 100–101
  South-East Asia, 209
*BCG vaccination policies. Report of a WHO Study Group*, 100–101
*Biological effects of mineral fibres*, 198–199
Biological standardization, 194
*Biomedical lectures, 1976–1977 series*, Regional Office for Africa, 62
  *1978–1980 series*, 245–246
Blindness, guide to trachoma control, 160
  prevention, Africa, 149–150
Blood and blood products, 192–193
Blood pressure, units for measurement of, 135, 137, 185
Botswana, mental health programme, 149
Breast-feeding, 73, 112–117
  Eastern Mediterranean, 151
Breast-milk substitutes, international code, 72, 74–75, 112–117, 133–134
Budget 1982–1983, 75, 128–131
  1984–1985, 77, 133
*Bulletin of the World Health Organization*, Vol. 58, contents, 32, 66
  Vol. 59, contents, 100, 159, 191, 240

Cancer, comparative oncology projects, 187–188
  incidence, Finland, 66
  mortality, Europe 1955–1974, 66
  occupational, international symposium, 24–25
  prevention and control, 7
  research, statistical methods in, 199
*Cancer morbidity and causes of death among Danish brewery workers*, 66–67

Cannabis, use of, 217
Cardiovascular control programmes, 64–65
Cardiovascular diseases, driving risks, 237
Chad, cooperation with, 76, 137
Charter for Health Development, South-East Asia, 45–46
Children, early detection of handicap, 196–197
China, People's Republic of, nursing education, 17
poliomyelitis, 183
primary health care workshops, 234
tuberculosis, 183
China–WHO Joint Coordination Committee, 93
Coca and cocaine, use of, 217
Codex Alimentarius, 248
Cold chain, vaccine storage temperatures, 51
*Collection, fractionation, quality control, and uses of blood and blood products [The]*, 192–193
*Community health information and education*, 62
Community health workers, role in primary health care, 83–84
training in nutrition, 244
Community-oriented institutions, 12
Comparative oncology projects, 187–188
Comprehensive community cardiovascular control programmes (CCCCPs), 64–65
Contraceptives, 186
Convention on Psychotropic Substances 1971, 221
*Core data for epidemiological studies of nonmedical drug use*, 243–244
Council for International Organizations of Medical Sciences (CIOMS), collaboration with WHO, 8–9
XIIIth Round Table Conference, proceedings of, 62
XVth Round Table Conference, 212–215
Cyprus, cooperation with, 138

Denmark, cancer morbidity, brewery workers, 66–67
*Dental health and the development of health services in Africa*, 62
Diarrhoeal diseases control, 8
Egypt, 60
Director-General, address to WHO Regional Committee for South-East Asia, 203–207
discussion of 1982–1983 programme budget, 129–131
report for 1980, 107–111, 122–123
*See also* Mahler, H.
Director-General's Programme Reserve 1984–1985, programme budget, 154
*Disability prevention and control. Report of the WHO Expert Committee on Disability Prevention and Rehabilitation*, 242
Disasters, natural, Americas, 233
emergency health management, 246
preventive measures and preparedness, 77, 137
social reactions, 211
victims of, 138
Disease vectors, resistance to pesticides, 143–148
Diseases, infectious, portable kit for rapid diagnosis, 54–55
Djibouti, cooperation with, 138
Dominica, new Member State, 235
*Drinking-water and sanitation, 1981–1990. A way to health*, 192
Drinking-water, safe, 205–206

Drug abuse, general population surveys, 33
*Drug-abuse reporting systems*, 243
Drug-dependence control programmes, collaboration, 219
Drug nomenclature, 35
*Drug problems in the sociocultural context: A basis for policies and programme planning*, 102, 216–222
Drug quality, legal base for assessment, 61
pre-market assessment, 19
Drug use, nonmedical, core data for epidemiological studies, 243–244
Drugs and the elderly, 97–98
and sedation, driving risks, 237
essential, Africa, 90
psychotropic, supply of, 95
control of, 158

*Early detection of handicap in children. Report on a WHO Working Group*, 196–197
Eastern Mediterranean, Advisory Committee on Biomedical Research, 10, 58–59
Arabic publications programme, 14, 92, 151
breast-feeding, 151
Expanded Programme on Immunization, 22, 179–181
health manpower development, 151–152
malaria control, 21–22
poliomyelitis 1979, 63
Regional Office, location, 138
Scientific Working Group on Mental Health Research, 234
smoking or health, 91
special cooperation programmes, 138
*Economics and health policy*, 62
Egypt, anti-smoking campaign, 91
diarrhoeal diseases control, 60
health manpower development programme, 152
*Endometrial bleeding and steroidal contraception. Proceedings of a Symposium on Steroid Contraception and Mechanisms of Endometrial Bleeding organized by the World Health Organization*, 94
Environmental health, South-East Asia, 210
*Environmental Health Criteria 16: Radiofrequency and microwaves*, 243
Environmental management, intersectoral coordination, 242–243
Epidemiological surveillance, Somalia, 60
Epilepsy, driving risks, 237
Equatorial Guinea, cooperation with, 76, 137
*Eradication of smallpox from Bangladesh [The]*, 28
Ethics, medical, and human experimentation, 212–215
Ethiopia, cooperation with, 138
Europe, acute respiratory infections, 20–21
Advisory Committee on Medical Research, 10, 58
cancer mortality 1955–1974, 66
health services, planning, 246–247
poliomyelitis 1979, 63
rabies surveillance 1979, 92
Regional Office, publications, 34–35, 196–197, 246–248
technical discussions 1981, 48
vision, impaired and residual, 182–183

*Evaluation of certain food additives. Twenty-fourth report of the Joint FAO/WHO Expert Committee on Food Additives*, 101–102
Executive Board, members, 72, 123
membership, South-East Asia, 210
organizational study, 18, 75, 76–77
sixty-seventh session, 24, 71–78
sixty-eighth session, 154
sixty-ninth session, 154
Expanded Programme on Immunization, 96
Eastern Mediterranean, 22, 179–181
South-East Asia, 209
Western Pacific, 183–184

Family health, Somalia, 22–23
*Female sterilization: Guidelines for the development of services*, second edition, 103
Fertility regulation, research, 186
Films, primary health care, 84–85
South Pacific, 184
Finland, cancer incidence, 66
Food additives, evaluation, 101–102
Food and Agriculture Organization of the United Nations (FAO), collaboration with the Mediterranean Zoonoses Control Programme, 236
Food and nutrition planning, training course, Western Pacific, 184
Food, irradiated, 194–195
*Food safety services*, 247–248

General Programme of Work, Seventh, 77
South-East Asia, 210
Sixth, 225
Global Environmental Monitoring System (GEMS), 196
*Global eradication of smallpox. Final report of the Global Commission for the Certification of Smallpox Eradication [The]*, 245
Global Health Resources Group for Primary Health Care, 207
*Global Strategy for Health for All by the Year 2000*, 178
Global Strategy for Health for All by the Year 2000, 72–73, 107–111, 118, 124–128, 142, 203–207
Executive Summary, 126–127, 142
global indicators, 125
plan of action, draft, 154
South-East Asia, 209
*Glossary on solid waste*, 35
Goitre control programme, South-East Asia, 211
Gonorrhoea, resistant to penicillin and spectinomycin, 157–158
*Guide to emergency health management after natural disaster [A]*, 211, 233, 246
*Guide to the care of the low birth weight infant*, 248
*Guide to trachoma control in programmes for the prevention of blindness*, 160
*Guidelines for training community health workers in nutrition*, 244
*Guidelines for health manpower planning: a course book*, 16, 177, 191

Hallucinogens, drug problem, 217
Handicapped, discrimination against, 184
mentally, education and acceptance of, 190
Health, a basic need, 80–81
social contract, 107–111
